[Jason Reeves]

I understand you never had someone to follow
I know you always said you'd find it your own way
You keep your feelings safe like letters in a bottle
Hoping that they'd wash up on my shore someday

[Jason Reeves & Colbie Caillat]

Don't make me wait
I see something hiding inside you
Secrets you are dying to say
I know you're afraid

But if you want me
Never to leave you
Tell me no lies, no lies, no lies
Just tell me no lies

Not stranger to the wonders of your silence
I wanna be there when the walls are fallin' away
So I can see you're all are the things that make me love you
Just a smile, simple smile on your face

Don't make me wait
I see something hiding inside you
Secrets you are dying to say
I know you're afraid

But if you want me
Never to leave you
Tell me no lies, no lies, no lies
Just tell me no lies
Just tell me no lies, oh

Truth will give you wings
But they won't set you free
Slow leaves

Don't make me wait
I see something hiding inside you, hey
Secrets you are dying to say
I know you're afraid

But if you want me
Never to leave you
Tell me no lies, no lies, no lies
Just tell me no lies

[Colbie Caillat]
(Tell me all the lies)

[Jason Reeves]
Just tell me no lies

[Colbie Caillat]
(Tell me, tell me, tell me)

[Jason Reeves & Colbie Caillat]

Ou, ou, ou
Ou, ou, ou, ou, ou, ou, ou, oh

[Colbie Caillat]
(No, no, tell me)

[Jason Reeves]
No, no

[Jason Reeves]
Ou, ou, ou

[Colbie Caillat]
(No, no, no)

[Jason Reeves]
Ou, ou, ou, ou, ou, ou, ou, ou

[Jason Reeves & Colbie Caillat]

No, no
Ou, ou, ou
Ou, ou, ou, ou, ou, ou, ou, ou

[Jason Reeves]
Didn't I tell you

[Jason Reeves & Colbie Caillat]

Ou, ou, ou
Ou, ou, ou, ou, ou, ou, ou, ou
