It's almost like
I've never seen the light
And you are my first sunrise

And every night
I wait for you to come
And shine away the shadows

I don't know you
But I want to
And I'm not afraid to tell you
That you're perfectly simple

And everything that's beautiful to me
Don't you ever change a damn thing
Don't you ever change a thing

I wanna see
The secrets you hide
Right behind your smile

So far beyond
All my desires
It's only just to hold you

I don't know you
But I want to
And I'm not afraid to tell you
That you're perfectly simple

And everything that's beautiful to me
Don't you ever change a damn thing
Don't you ever change a thing

I don't know you
But I want to
And I'm not afraid to tell you
That you're perfectly simple

And everything that's beautiful to me
Don't you ever change a damn thing

Don't you ever change a thing

It's almost like

I've never seen the light

And you are my first sunrise
