[Kara DioGuardi]

La la

La la la la

[Jason Reeves]

Mmm

[Kara DioGuardi]

Mmm

Hmm

[Kara DioGuardi]

You by the light is the greatest find

In a world full of wrong you're the thing that's right

[Jason Reeves Kara DioGuardi]

Finally made it through the lonely to the other side

You said it again

My heart's in motion

Every word feels like a shooting star

I'm at the edge of my emotions

Watching the shadows burning in the dark

And I

I

I'm in love

(I'm in love)

And I

I

I'm terrified for the first time and the last time in my
only life

Life

This could be good

It's already better than that

And nothing's worse than knowing you're holding back

I could be all that you needed if you let me try

You said it again

My heart's in motion

Every word feels like a shooting star
I'm at the edge of my emotions
Watching the shadows burning in the dark

And I
I
I'm in love
And I
I
I'm terrified for the first time and the last time in my
only life

I only said it 'cause I mean it
Oh
I only mean it 'cause it's true
Ooh

So don't you tear what I've been dreaming 'cause it
keeps me up
It holds me close whenever I'm without you

You said it again
(You said it again)
My heart's in motion
Every word feels like a shooting star
(Every word feels like a shooting star)
Oh
I'm at the edge of my emotions
Watching the shadows burning in the dark

And I
I
I'm in love
(I'm in love)
And I
I
I'm terrified for the first time and the last time in my
only life
Life
Life

In my only life
