I'm too young to have problems
I'm too old to play games
I'm too wise to be standing
standing in the pouring rain

I'm too smart to be hungry
I'm too hard to be meek
I'm too proud to be sorry
I'm too strong to be weak

Go take a swim in the ocean
Go take a swim in the sea
Go take a swim in the ocean
Who's gonna care about me

I'm too brave to be frightened
I don't keep to the rules
I'm too sharp to heed warning
I ain't nobody's fool

Go take a swim in the ocean
Go take a swim in the sea
Go take a swim in the ocean
Who's gonna care about me

I'm too cold to have heartaches
I'm too wise to lose aim
Too controlled to get angry
I'm too strong to feel pain

I'm too rich to be lonely
I'm too wild to have kids
I'm too strong to need a family
I'm too proud to give in

Go take a swim in the ocean
Go take a swim in the sea
Go take a swim in the ocean
Who's gonna want me
How you gonna find me
How you gonna love me, babe.
