I ain't here to hold you when you cry
I ain't here to hold your shaking hand
I ain't here to look you in the eye
Or beg for you to understand

I ain't gonna walk you through your dreams
Walk you through this life that we all know
I ain't here to listen while you speak
I ain't here to heal your broken soul
Am I here at all?

I ain't here to tell you what you need
I ain't gonna take a noble stand
I ain't here to look you in the eye
Or beg for you to understand

I can only tell you what I've seen
I can only tell you how it felt
When my heart was crushed to bad inside
Till I felt the hatred slowly melt
I don't wanna

I ain't gonna watch your every move
I ain't gonna dog your every step
I ain't here to shape your every mood
I ain't here to keep your secrets kept

Oh, but if I held you in my arms
If I could squeeze you till we cry
I don't wanna lose this love I feel
I don't wanna lose this fight tonight
I ain't gonna

I ain't here to hold you when you cry
I ain't here to hold your shaky hand
I ain't here to look you in the eye
I don't want you under my command

I can only hope you feel your tears
I can only wish you'd feel the hope
I can only hope that I can see
Out beyond this skin that covers me

Oh, how I wish that you were here
If I could hold you in my arms
Oh, how I wish that you were mine
I don't wanna beg for you no more

I ain't gonna tell you how I feel
I ain't gonna tell you how I feel
I ain't gonna pray for you to love me
Because I know you will, I just know it
