Well, it could have been me  
Living in that house  
With all those rooms  
With all that power

And powerful friends  
Flattering friends  
It could have been me  
Oh, it could have been me

Well, it could have been me  
Living on that street  
Out in the cold  
With nothing to eat

Dream of a home  
Dream of a bride  
A life alone, lock upside  
God, it could have been me

Oh, it could have been me  
Oh, it could have been me  
Oh no, it could have been me  
Hey, hey, hey, hey, hey

Well, it could have been me  
It could have been me  
Lying in that jungle  
Out in that heat

Fighting for my life  
Dying for nothing  
Feeling a bullet enter my soul

Well, it could have been me  
Oh, it could have been me  
Well, it could have been me  
Oh no, it could have been me  
Hey, hey, hey, hey

Well, it could have been me, oh me  
Living in that prison

Locked in a cage  
Damning the walls  
Damn the division  
Wondering why it had to be me

Well, it could have been you  
Oh, it could have been you  
Oh, it could have been me  
Oh no, it could have been me  
Hey, hey, hey, hey, hey
