Well

Well they blew the horns  
And the walls came down  
They'd all been warned  
And the walls came down

They stood there laughing  
They're not laughing anymore  
The walls came down

Sanctuary fades, congregation splits  
Nightly military raids, the congregation splits  
It's a song of assassins, ringin' in your ears  
We got terrorists thinking, playing on fears  
Oh

Well they blew the horns  
And the walls came down  
They'd all been warned  
But the walls came down

I don't think there are any Russians  
And there ain't no Yanks  
Just corporate criminals  
Playin' with tanks

Die, die, die, die  
Yes, come on  
Die, die  
Come on, come on, come on  
Die, die, wake up  
Wake up  
Die, die  
Go, yeah  
Die, die, die, die, die, die  
Come on, come on, come on, come on  
Die, die
