I said help me, help me
Help me in this hour
Hold me, hold me
Hold me in your power

I said walk, walk, walk with me
And tell me everything you know
I said walk, walk, walk with me
And tell me what I need to know
'Cause I'm standin' by the ocean
Just waitin' for my ship to sail

Cool me, cool me
Cool me from the flames
Tell me, tell me
Tell me what's your name

I said walk, walk, walk with me
And tell me everything you know
I said walk, walk, walk with me
And tell me all I need to know
'Cause I'm standin' at the station
Just waitin' for the train to roll, hey roll

Guide me, guide me
Guide me through this maze
Lead me, lead me
Lead me through the haze

I said walk, walk, walk with me
And tell me everything you know
I said walk, walk, walk with me
And tell me what I need to know
'Cause I'm stranded on this island
Just waitin' for my love to show

Hear me, hear me
Hear me in this hour
Help me, help me
Help me climb your tower

I said walk, walk, walk with me

And tell me everything you know
I said walk, walk, walk with me
And tell me all I need to know
'Cause I'm standin' at the crossroads
Just waitin' for the guide to show, oh

Let's walk
Let's walk
Let's walk
Walk with me
