That's not her picture  
I wish it was  
It came with the wallet  
I keep it because  
It reminds me of her reminds me of us  
But that's not her picture  
Haven't replaced it I don't know why  
Maybe the blond hair  
Maybe the smile  
Brings back the feeling for a little while  
That's not her picture  
I know it's wrong  
It's a total stranger  
I bought it from in the discount store  
But Her picture's gone in a 1000 piecess  
Scattered on the bedroom floor  
Might be her eyes  
Might be her face  
Might look like her

So many ways  
It fools the heart  
It fills the space  
That's not her picture

I know it's wrong

But Her picture's gone in a 1000 piecess

That's not her picture  
I wish it was  
It came with the wallet  
I keep it because  
It reminds me of her reminds me of us  
But that's not her picture  
Thank you for that  
I miss her so much  
That's not her picture
