Going up to new atmospheres
Going up to new places
Going up to new atmospheres
Gotta have new ears... new ears
Heavenly places (Repeat 2)
Heavenly,
Heavenly places (Repeat 3)
Heavenly,
Heavenly places
New revelation (Repeat 2)
What are you doing
Where are you going
You're gonna give
Some of you've been fighting for a very long time
Some of you've been fighting that ground warfare for a
very long time
Sticking out your fists and fighting
God wants to take us to new places (repeat 6)
New revelation (2)
New perspective (2)
Ariel View (4)
I declare over you
God has given you the air
God has given you the air so fly
It's time to spread out your wings
It's time to shake off the things that hold you down
It's time to spread out your wings and fly
Just fly... fly (hold)
Do you see what I see
Do you hear what I hear
Do you know what I know
Do you want what I want
Fly... fly... fly...
Do you see what I see
Do you hear what I hear
Do you know what I know
Fly (Repeat 7)
Just fly (Repeat 2)
Fly (hold)
I have given you wings
I have set you free from the things that held you
I have given you wings

I have set you free so come to me
Fly (hold)
Nothing's gonna hold me back
Nothing's gonna hold me back
Like a bird in the air you have escaped the snare
Like a bird in the air you've escaped the snare of the
enemy
You have been set free (Repeat 4)
Nothing can ever hold you
Fly...
