I will wait for you, Jesus
You're the sun in my horizon
All my hopes in you, Jesus
I can see you now arising
(Repeat)

There's a wall that stands in front of me
That I know I just can't climb
And like an eagle you will carry me
It's just a matter of the time

I will wait for you, Jesus
You're the son in my horizon
All my hopes in you, Jesus
I can see you now arising

Evil armies all around me

I believe in the word that promises me
So I will wait another day

I will wait for you, Jesus
You're the son in my horizon
All my hopes in you, Jesus
I can see you now arising
(Repeat)

I will wait for you
Oh I will wait for you
Oh the doubt may try to come in
The disillusion may try to come in

I believe oh Lord (x3)
In the word that you promised (x3)
I believe it will not end
I believe it will not go

I will wait for you, Jesus
You're the son in my horizon
All my hopes in you, Jesus
I can see you now arising
