Verse 1:

Mom and Dad take a look at me  
On my bike riding both hands free  
And I'm alright...It's a good night  
Bigger now than I've ever been  
Training wheels got no need for them  
Mom I'm growing - Dad I've got to get going

Chorus:

We are not the same -Everyday  
We are changing  
Another season fades  
But that's ok - cause we are changing- anyway

Music inter.

Verse 2:

Mom and Dad look who's holdin me  
Someone I get to love and dream with  
on cold nights through the hard times  
Sending out to the great unknown  
How to sit on their perfect home  
Mom we won't fight - Dad the winds right

Chorus:

Music interlude

Verse 3:

Mom and the kids sure grow fast  
the more they grow up the more I ask  
What am I doing? I hope it doesn't ruin 'em  
Ways are worth more than costly gems  
I'm diggin up my past to remember them  
Mom I love you - Dad there's nobody like you

Chorus:

Music interlude

Another generation comes along and says,

Mom and Dad take a look at me  
On my bike riding both hands free  
And I'm alright...It's a good night
