Verse 1

Old Man Take My Hand Now
Let Us Walk Together
For Years We Have Labored In Vineyards Apart
The distance Between Us Accounts For THE Problem
Oh Suffering How Beautiful You Are

Chorus

We Have Come To The Mountain
Of The Living God
Take A good Look Around Us
What We See Is What we've Got
There's No Better Day Coming
There's No Brighter Morning Sun
For We Have Come To The Mountain Of The Living God

Verse 2

Old Man Please Forgive Me
For All I've Been Missing
This Life I Was Given
Is Better Than I
Could Ever Have Wanted Or Even Imagined
Forgive Me For Wasting So Much Time

Chorus

We Have Come To The Mountain
Of The Living God
Take A good Look Around Us
What We See Is What we've Got
There's No Better Day Coming
There's No Brighter Morning Sun
For We Have Come To The Mountain Of The Living God
