Sometimes out of whack kind of confusing
seems like makes sense but it doesn't
Kind of out of whack kind of confusing
seems like its a papa but its not

Sometime the funny places we hear you
Droning in the middle of the broken
Sometimes the funny places we hear you
In imperfect world

Your funny
Your funny like that
You will not be controlled

You live in the tension
You live in the tension
You live in the tension
of creation

You decide what's beautiful
You decide
You decide what's glorious
You decide
You decide what's beautiful
You decide
You decide what's glorious

You live in the tension
Way beyond man
Way beyond man
Way beyond our ideas
Way beyond our way of thinking

You decide...
Breaking Breaking You Break
Break the fall

You funny like that
You live in the screams of the dying
Your funny like that

No man can control you
No man can control you

You come to the broken
You come to the broken
You live with the broken
You live with the broken
You live with the broken
You live with the hurting heart

You live (14x)
