We will go and tell of Your glory, Lord
We will go proclaim the work of Your mighty hand
We will go and show the love You have given us
Then You will come and no one will be able to stand

Your glory will light up the heavens
Your face will make the sun fade to night
We will fall down on our faces

When our faith becomes our sight

At the coming of our Savior
The fulfillment of this life
You will shake the earth and heavens
As the stars fall from the sky

Sing, "Glory, glory, glory to the Lamb."
"Glory, glory, You are the great 'I Am.'"
