I wanna be where you are, you are
I wanna be, I wanna be, I wanna be baby
Ooh. I wanna be, I really
Ooh. I wanna be, I really
Ooh. I wanna be, I really wanna
Ooh. I wanna be, I really
Ooh. I wanna be, I really
Ooh. I wanna be, I really want...

Can It be I stayed away too long
Did I leave your mind when I was gone
It's been time I'm tryin' to get back
But this time, let me tell you where I'm at

You don't have to worry, 'cause I'm comin
Back to where I should have always stayed
And now I've learned the meaning to your story
And that's enough love, for me to stay

Well, can it be I stayed away too long
And baby, did I leave your mind when I was gone
It's time I've been trying to get back
But this time, let me tell you where I'm at

I wanna be where you are, Oh Ohhh
Anywhere you are, Oh ohhh
I wanna be where you are, oh oh oh oh
Anywhere you are, oh ohhh ohhhh

Ooh. I wanna be, I really wanna be
Ooh. I wanna be, I really wanna be
Ooh. I wanna be, I really wanna be...

Please don't close the door, to our future
There's so many things we haven't tried
I would love you better, than I used to

To give you all the love, I have inside, hey hey

I wanna be where you are, Oh ohh
Anywhere you are, Oh oh oh ohh
I wanna be right here by your side, yes i do girl

I wanna be, I wanna be oh oh ohh

You don't have to worry, 'cause I'm comin'
Back to where I should've always stayed
And now that I've learned the meaning of true love
It's enough for me to always wanna stay, ohh

Ooh. I wanna be (Hey hey hey yeah)
Ooh. I wanna be (Oh oh yeah)
Ooh. I want, I want, I want, I want, I want ya (oh yeah)
Mm-hmm. Oh yeah! Oh yeah. Oh ohh.
Right here for you girl, yeah! Mm-hmm. Oh yeah.
Really wanna be with you. I really, really, really

Wanna be where you are, oh ohh
Anywhere you are, oh ohhh
I wanna be where you are, oh oh oh ohh
Anywhere you are, oh oh oh oh oh ohh

I wanna be, I wanna be, ohh
Hey, hey baby, yeah
I wanna be, I wanna be, ohh. Ooh
I wanna be, I wanna be, ohh.
Na na, yeah yeah
I wanna be, I wanna be, oh ohhh

I wanna be where you are, oh ohhh
Anywhere you are, oh oh ohh
I wanna be where you are, oh oh oh ohh
(Fades)
