I know I said I would,
Talk if you think I should.
Sit,
Notice,
I'm in silence.
What if I'm not quick enough?

My time may come soon enough.

I know I said I would,
Talk if you think I should.
Sit,
Notice,
I'm in silence.
What if...?

I know I said I would,
Talk if you think I should.
Sit,
Notice,
I'm in silence.
What if...?
If you think I should.

Sit,
Notice,
I'm in silence.
What if...?

Sit,
Notice,
I'm in silence.
What if...?

My plan,
My fault,
My plan is my fault.
All my thoughts have started to wear off,
Just because you said so.
