So far and gone  
Sleepwalk, wake or run  
Come back or leave me out  
You can leave me out

Last night I swore I saw her come to me in a dream  
Like a storm forming  
Father, will She come again?  
I've seen the day conquer the night  
Drifting with the wind like dawns curtain closing as it  
caves me in

So far and gone  
(SaliÃ³ sola)  
Sleepwalk, wake and run  
(SaliÃ³ sola)  
Come back or leave me out  
You can leave me out

I thought I'd never see the day gone  
It slipped away  
God, I got carried away
