Something's gotten into your head
Say what You said
Say what You said
I can do anything, anything
Though it doesn't matter to You
(I'll find it out...)

I can get the same effect if You strangle me

Something's gotten hold of my tongue
See what You've done
See what You've done
I would give anything, anything
Just to see it happen to You
(I'll find it out...)

I can get the same effect, if You strangle me
I can get the same effect, if You strangle me
I can get the same effect, if You strangle me
