I've been so many places in my life in time  
I've sung a lot of songs I've made some bad rhymes  
I've acted out my love on stages  
With ten thousand people watching  
But we're alone now and I'm singing a  
Song for you  
I know your image of me is what I hope to be  
I've treated you unkindly but girl' can't you see  
There's no one more important to me  
Darlin' can't you please see through me  
Cause we're alone now and i'm singing a  
Song for you  
You taught me precious secrets  
Of the truth withholding nothing  
You came out in front and I was hiding  
But now I'm so much better  
So if my words don't come together  
Listen to the melody  
Cause my love is in there hiding  
I love you in a place  
Where there's no space or time  
I love you for in my life  
You are a friend of mine  
And when my life is over  
Remember when we were together  
We were alone and I was singing a  
Song for you  
We were alone and I was singing a  
Song for you
