miss you by Jasper Steverlinck
Still in my heart after all these years
Separated by time, now by distance
I couldn't allow myself to feel
The loss that I feel right now
As I put this song down

You're far away and happy I know
It's a little bit late... twenty years or so
It's a little bit cold for all those concerned
But I'd sell my soul and your souls for a song
So I'll pour my heart out

I miss you
I miss you
I miss you
And I wanted you to know
I miss you
I miss you
I miss you
I'm sorry but I do

I want to thank you for the good years
And apologize for the rough ones
You must be laughing yourself sick
Up there and I know
But I wanted to write you one before I quit
And this one's it

I miss you
I miss you
And I wanted you to know
I miss you
I miss you
I miss you
And I still love you so.

And I
And I
Still love you so
And I

I wanted you to know
And I
Still love you so ... so
And I wanted you know
I wanted you to know
I wanted you to know
That I
That I
Still love you so ... so
I wanted you to know
I wanted you to know
I wanted you to know
That I still love you so
That I still love you so
