Have you ever had a woman
That commands your attention?
When she's in your presence
And Lord, her beauty belongs
On every page inside of the Essence

She'll make you blow your cool
Like summer time in a 69 Buick
And the crazy thing about it
I love when she do it
Can somebody tell me?

Is this love? I don't know
I don't wanna let it go
But I know it feels good to me
Is this love? I'm not sure
'Cause I don't know
The symptoms for it
But I know it feels good to me

Every time she comes around
My emotions are so aroused
And if I could I would get with her now
Please forgive me for speakin' out loud

But when she gets close to me
She puts my mind on freeze
To the point I can hardly speak
Can somebody tell me please?

Is this love? I don't know
I don't wanna let it go
But I know it feels good to me
Is this love? I'm not sure
'Cause I don't know
The symptoms for it
But I know it feels good to me

Can someone please tell me
Is this how loves supposed to be?
'Cause I like it and it feels so good to me
Can someone please tell me

Is this how loves supposed to feel?
'Cause I like it and loved it when she's here

Is this love? I don't know
I don't wanna let it go
But I know it feels good to me
Is this love? I'm not sure
'Cause I don't don't know
The symptoms for it
But I know it feels good to me
