STARS

A picture of you reminds me
How the years have gone so lonely
Why do you come and leave me
Without saying that you love me

I'm saying i love you again
Are you listening
Open your eyes once again
Look at me crying

If only you could hear me
Shout your name
If only you could feel
My love again
The stars in the sky will
Never be the same
If only you were here

A picture of you reminds me
How the days have gone so empty
Why do you come and leave me
Without saying that you love me

I'm saying i love you again
Are you listening
Open your eyes once again
Look at me crying

If only you could hear me
Shout your name
If only you could feel
My love again
The stars in the sky will
Never be the same
If only you were here

I'm saying i love you again
Are you listening
Open your eyes once again
Look at me crying

If only you could hear me
Shout your name
If only you could feel
My love again
The stars in the sky will
Never be the same
If only i had wings
So i can fly
I want to be with you
For all of time
My love for you
Will never die

If only you could hear me
Shout your name
If only you could feel
My love again
The stars in the sky will
Never be the same
If only you were here
(if only you were here)

INSANE

I cant sleep alone no more
Since the day i first heard your voice
I lie awake in bed
With thoughts of you in my head

I know i dont deserve you
But thank god i found you
To have you and to hold you
Would be the greatest thing
That i could ever know

And if i'm dreaming
Please dont wake me up
'cause i'd go insane
Without you near me
And while you're sleeping
I'm still standing up
'cause i'd go insane
Without you near me

When i look into your eyes
My mind drifts into the sky
I tilt my head and weep
She turns this way
My knees are weak

I know i dont deserve you
But thank god i found you
To have you and to hold you
Would be the greatest thing
That i could ever know

And if i'm dreaming
Please dont wake me up
'cause i'd go insane
Without you near me
And while you're sleeping
I'm still standing up
'cause i'd go insane
Without you near me...

I know i dont deserve you
But thank god i found you
To have you and to hold you
Would be the greatest thing
That i could ever know

And if i'm dreaming
Please dont wake me up
'cause i'd go insane
Without you near me
And while you're sleeping
I'm still standing up
'cause i'd go insane
Without you near me

THE FINAL SONG

Tired of looking at your photographs
Smiling at your latest craze
You can change the things you say and do
But nothing can change the fact
That you are sadly deranged
And i want nothing to do with you

No more hot tears and pride
No more bloodshed this time

I'm moving on to a better place
Nightmares don't arrive when i see your face
Cannot hold on to a bitter past
Candles like us were never meant to last

Maybe you were right and i was wrong
But nonetheless this is my final song
About you

Tired of thinking about memories
Laughing at your plastic head
Even after all that we've been through
Nothing can change the fact
That i walked the path
And i was happy to see it through

No more hot tears and pride
No more bloodshed this time

I'm moving on to a better place
Nightmares don't arrive when i see your face
Cannot hold on to a bitter past
Candles like us were never meant to last

Maybe you were right and i was wrong
But nonetheless this is my final song
(Let's go...)

Maybe you were right and i was wrong
But nonetheless this is my final song

Maybe you were right and i was wrong
But nonetheless this is my final song

I'm moving on to a better place
Nightmares don't arrive when i see your face
Cannot hold on to a bitter past
Candles like us were never meant to last

Maybe you were right and i was wrong
But nonetheless this is my final song...

time to come
around now,
time to wake up now,
time to come
around now..yeah

DREAM

As i walked along the sky
Of my dream you came alive
And it feels you're made to change
My whole life
And i know you will be there
There for me to make me stare
And it will be always and
Forever in my dreams

Dream, it makes me change but not for real

Cause i only see you smiling
In my dreams, that's the only time
I make you feel
What i have for you is real

As i walked along the sky
Of my dream you came alive
And it feels you're made to change
My whole life
And i know you will be there
There for me to make me stare
And it will be always and
Forever in my dreams

Come to me and hold me in my dreams
Let me touch you for a while
And dont let me realize that i am dreaming
Cause i'll be missing you
I'll be missing you

As i ran along the sky
Full of dreams, hopes and lies
You just come to make me feel
That we're supposed to be together
And i know you will be there
There for me to make me stare
And it will be always and
Forever in my dreams

As i ran along the sky
Full of dreams, hopes and lies
You just come to make me feel
That we're supposed to be together
And i know you will be there
There for me to make me stare
And it will be always and
Forever in my dreams

It's time to come around
It's time to wake up now
It's time to come around

It's time to come around
It's time to wake up now
It's time to come around

PASAN

Naglalakbay sa gitna ng dalampasigan
Minamasdan ang alon
Na humahampas sa nakaraan

Umihip ang hangin
Sa langit ako'y napatingin
Ulap ay sadyang kaydilim
Tila yata may bagyong parating
Bakit ka lumuluha?
Bakit nagtataka?
Akala mo ba, ika'y iniwan na?

Hindi, pasan kita
Hindi mo ba nakikita
Hindi ka na, sa akin ay luluha pa

Nasaan na ang tapang
At lakas ng 'yong loob
Ngayo'y karuwagan na lang ba
Ang iyong sagot

Umihip ang hangin
Sa langit ako'y napatingin
Ulap ay sadyang kaydilim
Tila yata may bagyong parating
Bakit ka lumuluha?
Bakit nagtataka?
Akala mo ba, ika'y iniwan na?

Hindi, pasan kita
Hindi mo ba nakikita
Hindi ka na, sa akin ay luluha pa

Hindi ko naman hangad
Ang anumang bagay sa mundo
Ang tanging hinihiling ko lamang
Ay yakapin mo

At ngayon, pasan kita
Ngayon mo na makikita
Hindi ka na, sa akin ay luluha pa

At ngayon, pasan kita
Ngayon mo na makikita
Hindi ka na, sa akin ay luluha pa

MULI

Nakakunot na naman ang noo
Nagsisigawan na naman tayo
Mga damdamin ay nasasaktan
Pwede na ba natin 'tong tigilan
Sana bukas magkita na tayong muli
Hindi na sasayangin ang bawat sandali

Magyayakapan, tapos na ang iyakan
Magiging maayos na muli ang lahat

Hindi na naman ako pinapansin
Tinataboy sa tuwing naglalambing
Hindi na alam kung sino ang tama o mali
Bigla mo na lamang ako pinapauwi

Sana bukas magkita na tayong muli
Hindi na sasayangin ang bawat sandali
Magyayakapan, tapos na ang iyakan
Magiging maayos na ang lahat...

'wag na tayo magpanggap
Alam kong pareho natin 'tong di matanggap
Halika na dito sa aking tabi
At sabihin na di ka bibitiw
Hanggang sa huling sandali

Sana bukas magkita na tayong muli
Hindi na sasayangin ang bawat sandali
Magyayakapan, tapos na ang iyakan
Magiging maayos na muli ang lahat

Sana bukas magkita na tayong muli
Hindi na sasayangin ang bawat sandali
Magyayakapan, tapos na ang iyakan
Magiging maayos na muli ang lahat

MAGBALIK

Wala na ang dating pagtingin
Sawa na ba saking lambing
Wala ka namang dahilan
Ngunit bakit biglang nangiwan

Hindi na alam ang gagawin
Upang ika'y magbalik sakin
Ginawa ang lahat ngunit bakit
Ika'y biglang naghanap

Hindi magbabago
Pagmamahal sa iyo
Sana'y pakinggan mo
Ang awit ng pusong ito

Tulad ng mundong hindi
Tumitigil sa pag-ikot
Pag ibig di mapapagod

Tulad ng ilog na hindi
Tumitigil sa pag agos
Pag ibig di matatapos

Alaala'y bumabalik
Mga panahong nasasabik
Sukdulang mukha ay
Laging nasa panaginip

Bakit biglang pinagpalit
Pagsasamaha'y tila nawaglit
Ang dating walang hanggan
Nagkaroon ng katapusan

YAKAP

kasama ka buong araw
walang humpy na tawanan
bakas parin saking mukha ang kasiyahan
ano nga ba ang iyong taglay na wala sa iba?
parang nasa langit pag kayakap ka

chorus: 'wag kang mawawala sa aking piling
siguradong hindi ko ito kakayanin

natatameme ako pag kausap ka
araw ko ay nakukumpleto pag nakita ka na
ano nga bang meron ka na wala sa iba? parang nasa
langit pag kayakap ka

(repeat chorus)

hindi ko maintindihan ang aking nararamdaman
ang tangi panalangin ko ngayon

(repeat chorus)

wag kang mawawala sa aking piling..

TAKIPSILIM

Ilang hakbang papalayo
Sa bawat singhot, akoy napapaso
Hinahanap ka ng langit
Saan kita itatago?

Ang buhay, 'di mahalaga
Kung ika'y hindi makakasama
Wala ibang idadalangin
O diyos ko, 'wag kang agawin sa akin

Kislap ng 'yong mga mata
Ang syang nagbibigay ng kulay
Mga bulong ng hangin na nag-uugnay
Sa 'yo at sa 'king buhay

At sayong paglayo
Tangay-tangay mo ang buhay ko
Sa bawat pintig ng puso ko
Aking dalangin
'wag kang agawin sa akin

Gagawin ang lahat
'wag kang agawin sa akin
Gagawin ang lahat
Gagawin ang lahat
Gagawin ang lahat
O diyos ko, 'wag kang agawin sa akin
WAG KANG AGAWIN SAKIN.....

TAKE MY HAND

Your sky seems so cloudy
I can barely see a single star
Your eyes become teary
And find yourself hiding in the dark

You are not alone
Someone's here to play your song

Take my hand
We'll fly to the sky
Close your eyes, i'm at your side
Tomorrow's gonna be just fine

Everything's been bitter
Like there was no reason to smile
Pieces of dreams have been shattered
And you feel like you're being left behind

You are not alone
Someone's here to play your song
Take my hand
We'll fly to the sky
Close your eyes, i'm at your side
Tomorrow's gonna be just fine

Take my hand,
Close your eyes

Take my hand,
Close your eyes

Take my hand,
Close your eyes
We'll fly

Take my hand
We'll fly to the sky
I'll save you from this life
I'm at your side
Tomorrow's gonna be just fine

KUNG KAYA KO LANG

Kung kaya ko lang!

Nakaupo ka saking harapan
Nakangiti ang iyong mga mata
Kaysarap mong titigan
Habang ikay nakatawa

Pangarap kong mahawakan ang 'yong kamay
Mahagkan at mayakap ka
Mamahalin kita habang buhay

Kung kaya ko lang pigilan ang oras
'di na ko mawawalay sayo
Kung kaya ko lang pigilan
Ang ikot ng mundo

Kung kaya ko lang, kung kaya ko lamang
Na ako ang nasa puso mo

Sana'y di ako nananaginip
Sana'y di na to matapos
Sana'y di ako nananaginip
