Fake LuLLaBies

Wake up litter girl  
daddy's waiting outside  
holding your favorite toy.  
His Eyes are full of joy

He can't wait to see your face  
He's craving for that warm and sweet  
Embrace  
His body starts to shiver  
'Cause this is the first time you'll see  
Each others

==refrain:==

(but) everything was an imagination  
You were a victim of a fad illusion  
There's nothing you can do  
There's nothing you can do

==chorus:==

'Cause when we close our eyes  
We hear more lies-fake lullabies  
Poisoning our minds

Clouds are running faster  
As your eyes are getting heavier  
Thing are not so bright  
'Cause the moon won't shed its light  
merry's not around,  
I don't know where to be found  
But who knows?  
Maybe in a rainbow

==repeat refrain==  
==repeat chorus==2x

Wake up little girl,  
Daddy's gone forever but who knows?  
Maybe in a rainbow  
'cause when we close our eyes,

We hear more lies-fake lullabies  
Poisoning our minds(2x)
