Said you were  
10 feet tall yeah and bulletproof  
10 feet tall yeah and bulletproof  
Armored character  
Makes it hard to move  
But here's an impartial overview

At the bottom  
Oh they all want proof  
And at the top  
No one's making room  
So brace yourself and then accelerate  
Sure you'll get there soon

(you can live)  
I watch you work (live like this)  
(this is it)  
I watch you work (deviant)

(you can live)  
I watch you work (live with this)  
(this is it)  
(this is it)

Hey! yeah! take the big man down  
Hey!  
Ugh, four times  
Chump crown

Hey! yeah! take the big man down  
Hey!  
Ooh, four times  
Chump crown

I am wide eyed,  
Waiting on the truth,  
But I'm thinking of ways to silence you

Close-at-hand (you can live)  
Commonplace and cruel. (live like this)  
Rude joke (this is it)

Jury-rigged, tool. (this is it)

Hey! yeah! take the big man down  
Hey!  
Ooh, four times  
Chump crown

Hey! yeah! take the big man down  
Hey!  
Uh, four times  
Chump crown

Hey! yeah! take the big man down  
Hey!  
Four times  
Chump crown

Hey! take the big man down  
Four times  
Chump crown
