All around me wants to know
Y i'm wid him
And wot the deal wid this
Obsession wid a guy i've been
Loving for so long
They're into wot they c
Superficial and they dnt give a damn
That he's got the finest qualitys
And they can't control

How he sends me over
And makes me quiver
How he takes me up
And my feet dnt touch the ground

Chorus
Hes my definition of a man
Holding my heart in his hands
And his love goes on and on and on
He's my definition of a man
And as far as i'm concerned
We're gonna go on and on and on

Wen the rumours start to twist
Before they hit they get dismissed
Together standing strong
Dnt need to prove them wrong
To my mind he's the key
Fuels my body heat so easily
And i'm not down wid the negative
Its evident

How his sensitivity
Brings the woman in me
To a deeper place
I get lost in his embrace

Chorus

After all that we've been through
I got a thing inside i jst can't hide

He's the one i need for sure
And i culdnt ask for more
And that's y our love goes on
And on and on

Chorus x2
