Woah-oah...  
Uh uh...

I've got all this love,  
Waiting just for you.  
I just gotta know that your love is true.  
Can't keep running, boy,  
In and out my life.  
Wanna be your girl not coz the mood is right.

BRIDGE:

If I let you come inside,  
Tomorrow will you hide?  
Will you be there for me when I need someone to hold?  
Baby, don't misunderstand,  
I still want you for my man.  
I just need a little time before I invest my love.

CHORUS:

Don't walk away, boy (Don't walk away).  
My love won't hurt you (No, no).  
Don't walk away, boy (Don't walk away).  
I'll be right there for you.

Babe, You said all the things that I like to hear.  
You can show my brothers, baby, love to have you  
close to me.  
Wanna feel your love, wanna be for sure.  
That it's me, me, baby, each and every night.

BRIDGE:

If I let you come inside,  
Tomorrow will you hide?  
Will you be there for me when I need someone to hold?  
Baby, don't misunderstand,  
I still want you for my man.  
I just need a little time before I invest my love.

CHORUS:

Don't walk away, boy (Don't walk away).  
My love won't hurt you (No).

Don't walk away, boy (Don't walk away).  
I'll be right there for you.

Baby, don't misunderstand, I want ya for my man.  
I need a little time before I give you my love.  
Ya see I'll be right there for you...Ooh...

CHORUS:

Don't walk away, boy.  
My love won't hurt you (It won't hurt you).  
Don't walk away, boy (You see I'll be right there for  
you).  
I'll be right there for you. (Oooh)  
Don't walk away, boy (Don't walk away).  
My love won't hurt you (Oooh...Oooh).  
Don't walk away, boy.
