Chorus

Bring it on it culd b millions
We gotta have it, we gotta have it
Dnt u know this culd b millions
We gotta have it, we gotta have it

Six of us crashed in the bck
Wid nothing to lose not tonite
We'll come bck in a cadillac
Hotel, to the motel, to the holiday inn
We'll stay up all nite gambling
Feeling kinda lucky that's the truth
Breezin through
We'll beat this crazy town
Till it's black and blue

Chorus x2

A guy starts talking by the wheel
Take a chance roll the dice
The way he sees it that's the deal
Wot goes down must rise above
Now my ship is coming in i'll buy u lunch
And everything
Feeling kinda mad and that's the truth
Breezin through
We'll beat this crazy town
Till it's black and blue

Chorus x2

I'm gonna get this money
I'd rather burn it than give it away
I'm gonna get this money

I'm gonna get this money
I'd rather burn it than give it away
I'm gonna get this money

Chorus x4

I'm gonna get this money x3
