I woz home late tonite and i hadnt  
Realise that you were waiting up for me  
I've had a busy day and the time has ran away  
I didn't know that i would feel  
I'm missing you  
I can feel tha space inside  
Gotta turn on the lights  
I'm in a daze  
Cuz all i'm thinking

Chorus

I wasn't lost the day i founq you  
My love my love  
And my heart will be without you  
My love my love  
But i wanna be around you  
My love  
Cuz it's only a day and  
I'm feeling the strain  
Of missing you

You didn't have a lot to say  
You just upped and on your way  
To a brighter day don't need no stress  
I didn't take you sriously  
Didn't think you'd be gone  
Never thought i'd feel misplaced  
I'm longing you  
I can feel the space inside  
Gotta turn on the lights  
I'm in a daze  
Cuz all i'm thinking

Chorus

Boy i gotta get by without you  
And there's nothing in this world i can do  
I'm all alone and i'm missing you  
I just wanna be around you but i'm gonna have to pull  
thru

Its so dark you miss a good thing when it's gone

Missing you

Aaaaaaaaaaaaaahhhhhhhh missing you

Aaaaahhhh missing you

Aaaaaahhhh my love

I didn't think i'd mind but yes i do

Chorus x2

Missing you... i'm missing you, i'm missing you
