Do you really wanna feel my flow  
Oh oh oh  
You know it's the only way to go  
So get with the show Are you the kinda guy whos got  
that flare  
Yeah

Get your groove on  
Get a move on  
Whoa whoa yeah

Touch my fire can you feel the heat,  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you break away,  
Burn all your troubles say goodbye to yesterday

Are you easy come and easy go whoaa  
Come on let the music grab ya  
From your head to your toes  
No need to rush  
Take it nice and slow feel that beat

Get your groove on  
Get a move on whoa yeah

Come with me i'll take you there  
Touch my fire

Touch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterday  
Touch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterday
