No kind of love

No kind of love

I don't wanna make no scene

Lovers come and go

Or make you mrs. anyone

Or make you mr. me

I'm into you like a train

Into you like a train

Into you like a train

Yeah fall in love

Yeah fall in love

I don't wanna tape you down

Or shack you up with me

Or get into your mind

Or put you where the flowers go

I'm into you like a train

Into you like a train

Into you like a train

Now fall in love

Yeah fall in love

If you believe that anyone

Like me within a song

Is outside it all

Then you are all so wrong

If you believe that anyone
Like me within a song

Would try and change it all

Then you have been put on

I'm into you like a train

Into you like a train

Into you like a train

Yeah fall in love

Yeah fall in love

No kind of love

No kind of love

I don't wanna wear no side

Or complicate it all

Or celebrate your prettiness

And kick you in it all

I'm into you like a train

Into you like a train

Into you like a train

Yeah fall in love

Yeah fall in love

If you believe that anyone

Like me within a song
Would try and change it all

Then you have been put on

So wrong

Into you like a train
