Walking through the sand
To the tune of the band
Come, take my hand
I'll show you the dream land

Looking through summertime
Listen to my chime
When do I??
I I I I die??

Stepping in the water
This hurricane has brought up
Lookin in your cup
I don't like this hold-up

Looking at my landmine
This silver I will shine
How do I??
I I I I cry??

Meet me there
Touch me there
You and I
We don't care

Gazing at the spring leaves
As the gazelle leaps
Why do I??
I I I I fly??

Walking through the sand
In tune to the band
I will take you by the hand
There are centuries we have planned

Staring at the waterways
Can this be craze??
When do I??
I I I I buy??
