"With Or Without U2"

See the stone set in your eyes. See the thorn twist in your side. I wait for you. Sleight of hand and twist of fate. On a bed of nails she makes me wait. And I wait without you. With or without you. I want your skulls. I need your skulls. I've got your picture. I'd like a million of them over myself. I'm turning Japanese I think I'm turning Japanese I really think so. No sex, no drugs, no wine, no women. No sin, no fun, no you, no wonder it's dark. Everyone around me is a total stranger. Everyone avoids me like a cyclone ranger.
