A darker power.
Thick blood inside a flower.
A beast who preys on love,
Love?
The need is there.
It supersedes the care.
Driving the flesh to merge this urge.
It's come to killing.
The reckless ones who need fulfilling.
Anything for a laugh,
Laugh.
A senseless murder.
You meant to love but found you hurt her.
Only in death will she forget.
Doesn't matter much.
Everyone is out of touch.
And no one wants to learn.
What I'm talking about is a city full of fear and doubt

And I'd like to see it burn.
She moves his hand.
He has a larger plan.
He thinks she'll like it in the end,
The end.
It was the screaming.
A part of her got too close.
The kind of truth that hurts the most.
I understand it.
A drowning man grabs all he can.
Just tell it to her friend,
Friend.
Hunger moves us.
It makes us kill and then it soothes us.
Some call it a right.
I call it a wrong.
