[Originally by the Cars]

I don't mind you coming here And wasting all my time.
'Cause when you're standing oh so near I kinda lose my
mind. It's not the perfume that you wear. It's not the
ribbons in your hair. I don't mind you coming here And
wasting all my time. I don't mind you hanging out And
talking in your sleep. It doesn't matter where you've
been As long as it was deep. You always knew to wear it
well. You look so fancy I can tell. I don't mind you
hanging out And talking in your sleep. I guess you're
just what I needed. I needed someone to feed. I guess
you're just what I needed. I needed someone to bleed.
