This is a song off Etc
It's a mix of other bands like misfits
Vapors and of course, U2

You know, there's been a lot of talk about Dublin

See the stone set in her eyes
See the thorn twist in her side
And I wait without you
Sleight of hand and twist of fate
On a bed of nails she makes me wait

And I wait without you
With or without you
With or without you
With or without
With or without you

I want your skulls
I need your skulls
I want your skulls
I need your skulls

I've got your picture, I've got your picture
I'd like a million of them all 'round my cell
I asked the doctor to take your picture
So I can look at you from inside as well

You've got me turning up
And turning down
And turning in and turning 'round

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so

No sex, no drugs, no wine, no women
No sin, no fun, no you, no wonder it's dark
Everyone avoids me is a total stranger
Everyone treats me like a psyched lone ranger
Everyone

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so

I'm turning Japanese
I think I'm turning Japanese, I really think so
I'm turning Japanese
I think I'm turning Japanese, I really think so
