[Jay Sean]

I'm all yours tonight
Got a feeling that I can't deny
Everything about you gets me high
Girl I want this for the rest of my life
I'm all yours

[Pitbull]

Success is here, and she don't play
I'm ready for her though, throw her my way
Heart torn, and I doubt you can save it
It's okay, it's been like that since I was a baby
Thoughts deep, scuba
My mind is free, opposite of Cuba
Take me for my money or my fame
Papa don't try, see right through ya
Four lawsuits, one year
Two down, two to go, Fame, expensive year
Good thing, I know I was built for the war
I was built to be all yours
Abuelita's a rebel, my mothers a fighter
Tia is a g, and my sister's a rider

[Jay Sean]

I'm all yours tonight
Got a feeling that I can't deny
Everything about you gets me high
Girl I want this for the rest of my life

And celebrate tonight
And together we gon' touch the sky
Everything about you gets me high
Girl I want this for the rest of my life
I'm all yours

Girl I want this for the rest of my life
I'm all yours

[Jay Sean]

Say it ain't so

You're reading every thought in my mind

Lady, lady, so damn beautiful

That I could just stare at you all night

The girls and the champagne, the music

Just don't feel the same, no

Cause lately these bright lights don't shine unless you're here with me, baby

[Jay Sean]

I'm all yours tonight

Got a feeling that I can't deny

Everything about you gets me high

Girl I want this for the rest of my life

[Beat Break]

Girl I want this for the rest of my life

I'm all yours

[Pitbull]

But I'd do it for you girl, I'd ride for you girl

I'd lie for you girl, I'd cry for you

Die for you girl, the truth is it's all for you girl

[Jay Sean]

We gon' fly yeah

And we gon' soar yeah

Tonight it is ours yeah

And I'm all yours yeah

Yeah I'm all yours yeah

yeah I'm all yours yeah

yeah I'm all yours yeah

yeah I'm all yours

I'm all yours tonight

Got a feeling that I can't deny

Everything about you gets me high

Girl I want this for the rest of my life

I'm all yours

Girl I want this for the rest of my life

I'm all yours
