I want her  
I need her  
And someday, someday...whooha...I'll meet her

She'll be kind of shy  
And real good looking too  
And I'll be certain, she's my girl  
By the things she'll like to do

(Chorus)  
Like walking in the rain  
And wishing on the stars up above  
And being so in love

Doo, doo, doo, doo, doo, doo  
Ooooh  
Doo, doo, doo, doo

When she's near me  
I'll kiss her  
And when she leaves me...whooha...I'll miss her  
Though sometimes we'll fight  
I won't really care  
I know she's gonna be alright  
Cause we got so much to share

(Repeat Chorus)

(Joni)..No, no she'll never do  
(Peggy)..No, it isn't her too  
They would never, no they'd never...never, ever, love

Walking in the rain  
And wishing on the stars  
Or being so in love  
Walking in the rain
