Tears come crying from these eyes
lies after lies
You've told
You sold my heart
And now you want it back
You never thought of me
Just what you would be
You told all your friends
That you didn't love me
But i know they see
That you can't live without me

And i'll give you one more chance
I'll take you back
Just don't make me leave again
But you do
You say i never knew you
I say f@@@ you
I know i'll take you back
but will you come?

Are you done breakin my heart
Or did you just start
Where is your heart
Is it up your ass
Has it passed
through your body and gone
I know you can't go on
But i can
And i know i'll take you back
but will you come?

Tears come crying from these eyes
lies after lies
You've told
You sold my heart
And now you want it back
You never thought of me
Just what you would be
You told all your friends
That you didn't love me
But i know they see

That you can't live without me
