I'm in the car
On the ride
It feels like my heart is being dragged up this hill
After I see you I am flyin high
I'm at the top
And then I drop
Down the hill
My heart is burning
But you aren't turning
Back to me

Love is like a ride
It can be tried
It can be liked
It has its ups and downs
Its smiles and frowns
There are bumps and drops
Loops and hops
And lots, and lots of fun

Down and out
Here comes the loop
My heart is burning but you aren't turning
Back to me.

Love is like a ride
It can be tried
It can be liked
It has its ups and downs
Its smiles and frowns
There are bumps and drops
Loops and hops
And lots, and lots of fun
Love is like a ride
It can be tried
It can be liked
It has its ups and downs
Its smiles and frowns
There are bumps and drops
Loops and hops
And lots, and lots of fun

You aren't turning to me

Love is like a ride
It can be tried
It can be liked
It has its ups and downs
Its smiles and frowns
There are bumps and drops
Loops and hops
And lots, and lots of fun

Love is like a ride
It can be tried
It can be liked
It has its ups and downs
Its smiles and frowns
There are bumps and drops
Loops and hops
And lots, and lots of fun
