How to explain  
What I don't know  
How to come up with  
Something I can't show  
How to tell you  
Something you shouldn't know  
How to let you know  
I have to let go

And I'm feeling stupid  
My mind is dumb  
When I fumble around with words  
Trying to tell you something so stupid that it should be  
unheard

Never know  
Let go  
Never show  
But flow  
Along beside  
Never decide  
To do  
Anything new  
Anything that could harm you  
And then hold on for the ride  
Never hide, I tried  
But let you go  
Just to show  
How stupid I am

It was a sham  
A trick to push me away  
It's not okay the way you make me feel  
I'm sorry, but you have to stay  
Can't let go  
And I know how stupid I sound  
But the ground is further down  
Than I thought and I don't want to stay  
Goodbye

And I'm feeling stupid  
My mind is dumb

When I fumble around with words  
Trying to tell you something so stupid that it should be  
unheard

Never know  
Let go  
Never show  
But flow  
Along beside  
Never decide  
To do  
Anything new  
Anything that could harm you  
And then hold on for the ride  
Never hide, I tried  
But let you go  
Just show  
How stupid I am

How stupid I am  
And I know how I sound  
But the ground is further down  
Than I thought  
And I don't want to say good bye

Never know  
Let go  
Never show  
But flow  
Along beside  
Never decide  
To do  
Anything new  
Anything that could harm you  
And then hold on for the ride  
Never hide, I tried  
But let you go  
Just show  
How stupid I am

Never know  
Let go  
Never show  
But flow  
Along beside  
Never decide  
To do  
Anything new  
Anything that could harm you  
And then hold on for the ride  
Never hide, I tried

But let you go  
Just show  
How stupid I am
