Try to explain how i feel
Can't describe what is real
(Falling Down)
Don't meet your expectations
No invitations to stay
But I guess it's better this way
(And i know i can't go)

But you want to much
And since
Such perfection is wanted by you
What can i do
Don't know what to say
Today is gone
But I can't move on
And forget about it

One wrong move and your on my back
(Can't Slack)
Tomorrow is another day
And i know i can't go on

I tried so hard but lost
Give it up i won't win
Can't you see me tryin again

But you want to much
And since
Such perfection is wanted by you
What can i do
Don't know what to say
Today is gone
But I can't move on
And forget about it

I tried so hard but lost
Give it up i won't win
Can't you see me tryin again

But you want to much
And since
Such perfection is wanted by you

What can i do
Don't know what to say
Today is gone
But I can't move on
And forget about it

But you want so much

But you want to much
And since
Such perfection is wanted by you
What can i do
Don't know what to say
Today is gone
But I can't move on
And forget about it
