You think  
You know  
How I feel  
But why  
Are you  
Freezing there  
You couldn't  
Have known  
That I was alone  
And now  
You think  
That you'll go on  
But you won't  
I know  
I'm moving on

You thought that you knew me  
But did I surprise you  
When I told you  
That we were finished  
But still you think that  
You can control me  
I won't let it happen anymore  
So give up  
Go home  
This is where you get out  
Leave me alone

You think  
You know  
How I feel  
But why  
Are you  
Freezing there  
You couldn't  
Have known  
That I was alone  
And now  
You think  
That you'll go on  
But you won't  
I know

I'm moving on

We fought  
We knew  
We thought  
We'd go  
On living  
But time is not forgiving  
And we weren't giving  
Our time to each other  
You thought that you knew me  
But did I surprise you  
When I told you  
That we were finished  
But still you think that  
You can control me  
I won't let it happen anymore  
So give up  
Go home  
This is where you get out  
Leave me alone

You think  
You know  
How I feel  
But why  
Are you  
Freezing there  
You couldn't  
Have known  
That I was alone  
And now  
You think  
That you'll go on  
But you won't  
I know  
I'm moving on

You thought that you knew me  
But did I surprise you  
When I told you  
That we were finished  
But still you think that  
You can control me  
I won't let it happen anymore  
So give up  
Go home  
This is where you get out  
Leave me alone

You think

You know  
How I feel  
But why  
Are you  
Freezing there  
You couldn't  
Have known  
That I was alone  
And now  
You think  
That you'll go on  
But you won't  
I know  
I'm moving on
