Ready or not here I come
Gee that used to be such fun

Apples peaches pumpkin pie
Who's afraid to holler I?
That's a game I used to play
Hide and seek was it's name
Oh ready or not here I come
Gee that used to be such fun
I always used to find a hiding place
Times have changed
Well I'm one step behind you
But still I can't find you
Apples peaches pumpkin pie
You were young and so was I
Now that we've grown up it seems
You just keep ignoring me
I'll find you anywhere you go
I'm gonna look high and low
You can't escape this love of mine anytime
Well, I'll sneak up behind you
Be careful where I find you
Apples peaches pumpkin pie
Soon your love will be all mine
Then I'm gonna take you home
Marry you so you won't roam baby
Marry you so you won't roam. Right now now now
I'll find you anywhere you go
I'm gonna look high and low
You can't escape this love of mine anytime
Well, I'll sneak up behind you
Be careful where I find you
Ready or not here I come
Gee that used to be such fun
(Repeat and fade)
