Yeah

I'm in my zone

(Let's Go)

(Chorus)

Baby we can get freaky

Girl we can get down

This can be our little secret

Like no one else around

Uh huh... (Ooo...)

You can be my unreleased single

Like no one has to know

Has to know

Has to know

Like no one has to know

Has to know

Has to know

Baby no one has to know

They say it's bro's over hoes

This ones' got me on my toes

I tried to confess but no one knows

I met a new chic and damn

Like rush hour I'm in a jam

I got a girl she's got a man

Happens to be my best friend

Close enough to be my kin'

See I'm a loyal dude

Love my nigga like cooked food

But you aint never seen a connection

Like the one between us two

She's perfect in everyway

Think about her everyday

This is wrong in many ways

First I thought it was just a phase

But days turn to weeks

Weeks turn into months

Now I can't front

Gotta' tell her what's up

See I got a lot on my mind

And they say that love is blind

'Cause that knife come froms behind

(Chorus)

Baby we can get freaky
Girl we can get down
This can be our little secret
Like no one else around
Uh huh... (Ooo...)
You can be my unreleased single
Like no one has to know
Has to know
Has to know
Like no one has to know
Has to know
Has to know
Baby no one has to know

As soon as he leaves town
She's calling me telling me she's down
One drink turns to a whole round
Seem like it's about to go down
This just aint my style
Way to scandalous
If the kitchen gets hot
And the pressure goes up
Not sure she can handle it
She just might let it slip
But we still sittin' here with the candles lit
Like walkin' in the grass yo' I'm in some shit
Oh yes I'm wrong I must admit
But screw it he'll never kno I did it
And my girl thinks I'm committed
We can rock with it
Plus I'm getting really tempted
Sittin' on the couch as we talk about it
Thinkin in my mind
Yo I can just do with out it
We work our way to the bed
Forgotten our regrets
Lookin in her eyes and said

(Chorus)

Baby we can get freaky
Girl we can get down
This can be our little secret
Like no one else around
Uh huh... (Ooo...)
You can be my unreleased single
Like no one has to know
Has to know
Has to know
Like no one has to know

Has to know
Has to know
Baby no one has to know

(Repeat)
Baby we can get freaky
Girl we can get down
This can be our little secret
Like no one else around
Uh huh... (Ooo...)
You can be my unreleased single
Like no one has to know
Has to know
Has to know
Like no one has to know
Has to know
Has to know
Baby no one has to know
