Sweet dreams are made over the years  
Who am I to disagree (Oh Yes)  
I traveled the world and the seven seas  
Everybody's looking for something  
Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

When you're the new hot shit  
On the rise  
Surprise!  
Everybody want somethin  
For nothin  
And they be frontin  
I mean baby girl  
Where the hell you come from  
Now that I got a bank account full of O's  
I got a whole  
New roster full of hoes  
Women plottin while they rockin at my shows  
Focus on you boy  
Ain't no body knows  
But me  
The vision that I see when I fall asleep  
They peek and they get weak  
And I took leap a faith to fall from grace  
While everything falls in place  
One at time  
In a single file line  
Every rhyme is just another sign  
That I'll be hittin  
The time is tickin  
While I'm on a mission  
I ain't forgettin

Sweet dreams are made over the years  
Who am I to disagree (Oh Yes)  
I traveled the world and the seven seas (All around the world)  
Everybody's looking for something  
Some of them want to use you (Is it you?)

Some of them want to get used by you (Is it her?)  
Some of them want to abuse you (Is it him?)  
Some of them want to be abused (Is it them?)

Now they want to talk  
About the recession  
(Whoa)Hmm  
Fuck the recession!  
I'm getting so much paper  
No need n stressing  
Everyday I'm countin' God's blessin  
I learned my lesson  
Cause I stay stackin' it up  
Far from a beginner  
You know I'm a winner  
I put a little away bent  
Away from the winner  
Ain't no stoppin' us  
Victory's a must  
Cause these niggas ain't seein' money  
I'm gettin' paper  
I'm a paper chaser  
If you talk smack then I will replace ya  
The swag  
I was born with it  
The heat  
I continue to give it  
Still want more  
And more  
I open up the doors  
For something you ain't seen before  
When we steppin' out of ranges  
Need me to explain this  
You can't tame us

Sweet dreams are made over the years  
Who am I to disagree (Oh Yes)  
I traveled the world and the seven seas (All around the world)  
Everybody's looking for something  
Some of them want to use you (Is it you?)  
Some of them want to get used by you (Is it her?)  
Some of them want to abuse you (Is it him?)  
Some of them want to be abused (Is it them?)

Check it out  
Courtside seats at the hottest events  
These seats hear cost more than your rent  
Bottle after bottle till we all get bent  
And we don't give a fuck about the money I spent  
If you can't keep up then get left behind

We livin' this good cause we stay on the grind  
Get this  
Big risk equal big rewards  
Everything on the line situation we live for  
Never content  
Always seem to want more  
Sky's the limit  
Somehow we always get more  
That urge that drive you can't ignore  
Always find something else to explore  
Oh yes  
I'm one of the best  
I'm so damn fresh  
Don't believe me put me to the test  
And I guarantee that I'm better than all of the rest

Sweet dreams are made over the years  
Who am I to disagree (Oh Yes)  
I traveled the world and the seven seas (All around the world)  
Everybody's looking for something  
Some of them want to use you (Is it you?)  
Some of them want to get used by you (Is it her?)  
Some of them want to abuse you (Is it him?)  
Some of them want to be abused (Is it them?)
