I am on a lonely road and I am traveling  
Looking for something, what can it be?  
Oh I hate you some, I hate you some  
I love you some  
I love you when I forget about me

I want to be strong I want to laugh along  
I want to belong to the living  
Alive, alive, I want to get up and jive  
Wreck my stockings in some juke box dive

Do you want, do you want, do you wanna  
Dance with me baby  
Do you wanna take a chance  
On maybe finding some sweet romance with me baby  
Well come on

All I really really want our love to do  
Is to bring out the best in me and in you too  
All I really really want our love to do, to do  
Is to bring out the best in me and in you

I want to talk to you  
I want to shampoo you  
I want to renew you, again and again  
Applause applause  
Life is our cause  
When I think of your kisses  
My mind see-saws

Do you see, do you see, do you see  
How you hurt me baby?  
So I hurt you too  
Then we both get so blue

I am on a lonely road and I am traveling  
Looking for the key to set me free  
Oh the jealousy, the greed is the unraveling  
And it undoes all the joy that could be  
And I just want to have fun, I want to shine like the sun  
I want to be the one that you want to see

I want to knit you a sweater  
I want to write you a love letter  
I want to make you feel better  
I want to make you feel free  
I want to make you feel free  
I want to make you feel free  
I want to make you feel free
