You say good start  
I say perfect ending  
This world has no heart  
And mine is the unmending

Wiping down menus  
Of food I can't afford  
If this is my destiny  
Then why am I so bored

Am I suicidal  
Or am I hungry  
American Idol  
Get the hell off my TV

Can't write songs  
As well as you  
Can't play guitar  
The way that I want to

I can't sense the future  
In this Pennsylvania night  
It is sealed for my protection  
But if I can pick my poison I just might

Am I suicidal  
Or am I hungry  
American Idol  
Get the hell off my tv

Breaking up is hard to do  
But waking up is harder  
I had plans and they fell through  
And now I'm back to beg and barter

Am I suicidal  
Or am I hungry  
American Idol  
Get the hell off my tv

American Idol

Get the hell off my tv

American Idol

Get the hell off my tv
