How many roads must a man walk down
Before you call him a man
How many seas must a white dove sail
Before she sleeps in the sand
How many years must cannonballs fly
Before they're forever banned

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes and how many times must a man look up
Before he can see the sky
Yes and how many ears must one man have
Before he can hear people cry
Yes and how many deaths will it take till he knows
That too many people have died

How many years can a mountain exist
Before it falls to the seas
How many years can some people exist
Before they're allowed to be free
How many times can a man turn his head
Pretend that he just doesn't see

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind.

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind
