soon as i hit the jackpot

Lights stay on

Women me turning me on

Every corner we on

People knowing my songs

Out in Vegas

Women turning me on

Every corner we on

People knowing my songs

Out in Vegas

Poker chips

Got me ready to poke a chick

After my triple 7

seen this girl that came from heaven

Wavier then a tide

I just simply replied

My hotel in the sky

x2 {Chorus} Lights are every where
We gamble on every chair
Just met a girl with Hair to her Derriere
Where the women
screaming that we should pay em
And all the people treating us like we players
In Vegas
Women me turning me on
Every corner we on
People knowing my songs
Out in Vegas
Women turning me on
Every corner we on
People knowing my songs
Out in Vegas
Out in Vega
